By: Michael PhelRESPONSE AND AMENDMENT

Dear Sir:

Applicants submit this Response and Amendment in response to the Office Action mailed on May 9, 2001 in the above-referenced application. A Notice of Appeal and Petition for a three months extension of time are filed concurrently herewith. Please amend the application as follows.

In the claims:

Please cancel claims 1-6 and 10-30 without prejudice, and replace pending claims 7 and 31-33 with the amended claims 7 and 31-33 set forth below:

7. (Thrice Amended) A method for identifying a gene which is up- or down-regulated during the differentiation of neural crest cells into smooth muscle cells, comprising
- (i) culturing cells of an immortalized neural crest cell line under culture conditions sufficient for the neural crest cells to differentiate uniformly into smooth muscle
